

Lidia Stepanova

Software Engineer

Experienced Software Engineer with 10+ years of developing commercial applications and a background in applied mathematics. Committed to best practices in software architecture, clean code, and efficient database management, with solid knowledge of algorithms and data structures. Strong analytical and technical skills, attention to detail, quick adaptivity to different tech stacks.

AI and agentic coding enthusiast 

Profile

1991
Single
Swiss passport

Contact

Email
stepanovalidia@gmail.com

Address
Schübelbach, SZ

Expertise

- C#, React, HTML, CSS
- SQL, T-SQL
- Rest APIs
- Docker, Kubernetes
- Azure, GCP, Terraform
- Python

Languages

English (fluent, C1)
German (intermediate, B1)
French (intermediate, B1)
Russian (native, C2)

Experience

December 2025 - Mai 2026
Sabbatical

June 2020 - November 2025
Collana Solutions AG, Pfäffikon SZ, Switzerland
Senior Software Engineer

Developed and maintained modern web applications in e-commerce and finance for Exlibris, Comparis and HBL

Competences: .NET, EF Core, SQL Server, React, Typescript, Javascript, jQuery, CSS, HTML, Tailwind, xUnit, MSTest, Jira, Confluence, Github, Azure, DevOps, Docker, Kubernetes, Windows, Linux, Project Management

March 2019 - March 2020
Sensirion AG, Stäfa ZH, Switzerland
Software Engineer

Development of a manufacturing execution system and supporting tools for a sensors production site (C#, SQL)

Competences: .NET, SQL Server, Javascript, HTML

September 2014 - February 2019
Fluxim AG, Winterthur ZH, Switzerland
Software Engineer

Responsible for developing algorithms for optical modeling of OLEDs and photovoltaic systems (C++, MATLAB) and for computational simulation of physical processes

Competences: C++, Python, MATLAB, Numerical methods, FEM

Education

September 2012 - March 2015
EPFL, Lausanne, Switzerland
M.Sc, Computational Science and Engineering

Specialization in numerical methods, optimization, linear algebra, finite elements and scientific computing.

September 2008 - June 2012
St. Petersburg University of IT, Mechanics and Optics
B.Sc, Applied Mathematics and Informatics

Computer science, algorithms and data structures

Interests

Technology, hiking, badminton, tennis
